

Great Cities Dialogue:

Public Policy and San Antonio's Urban Landscape: Sustaining our Natural Heritage

Date: April 8th, 2009 **Time:** 7:30 am - 12:30 pm

Location: The University of Texas at San Antonio - Downtown Campus
Durango Building Room 1.214 (Southwest Room),
501 W. Durango Blvd., San Antonio, Texas 78207

Join us for a discussion of resource conservation in San Antonio - past, present and future. This half-day event will provide a comprehensive overview of this important topic and bring together key stakeholders from the fields of land development, planning, conservation, and architecture. We will host two panels, creating the foundation for an action plan that will serve as a guide for future development and resource conservation.

Audience participation will be encouraged.

Welcome by:

Bonnie Conner, Chairman, Voelcker Park Conservancy and Vice Chairman, Parks Projects, San Antonio Parks Foundation

Opening Remarks by:

Dr. Frederick Steiner, Dean of the School of Architecture and Henry M. Rockwell Chair in Architecture, University of Texas at Austin

Other Participants include:

- Allison Elder, Attorney and Counselor, Braun & Associates
- Howard Peak, Executive Director, State and Local Government Affairs, AT&T
