

Dear GEAA members and friends,

The 6:00 pm EAA Meeting on proposed increases to the Aquifer Management fees scheduled for Thursday, August 11th has been moved from EAA Headquarters to **Central Catholic High School cafeteria at 1403 N. St. Mary's St.**

As I understand it, the meeting tomorrow will not be a public hearing, but rather is a venue to present information and answer questions, although statements from the audience will be heard. There will be additional opportunities for comment in the future.

Hope to see you there.
