

Dear teachers,

Please see the email below from our friends at the Edwards Aquifer Authority. This workshop is great!

Sincerely,

Elena Serna
Special Projects Coordinator

Teachers,

The Edwards Aquifer Authority, in partnership with Texas Parks and Wildlife, is offering a teacher workshop on Wednesday, November 3. Join us for a day of hiking at Government Canyon State Natural Area to learn more about the Edwards Aquifer system.

Who: **Any K-12 Teacher**

What: **Explore the Edwards Aquifer: A Tour of Government Canyon**

This interactive teacher workshop involves a six-mile, five-hour primitive hike (no restrooms nearby) across rugged terrain. Hiking/sturdy shoes are required, long pants are advised. Participants should be prepared to hike with a lunch and plenty of water (no less than 2 quarts). Class size is limited to 25 educators and enrollment priority will be given to first-time participants. The Authority is a State Board for Educator Certification approved Continuing Professional Education (CPE) provider and educators completing the course will earn six-hours of CPE credit. The information offered during the workshop, when incorporated into teacher lesson plans, will address many Texas Essential Knowledge and Skills (TEKS) for Science. Correlations between *Explore the Edwards Aquifer: A Tour of Government Canyon* and the TEKS for Science will be provided at the workshop.

When: **Wednesday, November 3, 2010**
9:00 a.m. —4:00 p.m.

Where: **Government Canyon State Natural Area**
12861 Galm Road, San Antonio, Texas
