

Dear GEAA Members and Friends,

I usually try not to spam you with two messages in one day. But this is a case where pride overcometh discretion. I just had to let you know that GEAA has been chosen by [WaterCheck.biz](#) to be featured as part of their water sustainability program. Check out WaterMan's glowing blog about GEAA and our marvelous Edwards Aquifer [here](#).

Thanks to all of you for making GEAA worthy of national recognition for our shared efforts.

Have a great weekend!
