Dear GEAA members,

Please help fellow GEAA member group, SOS Alliance, win \$10k by voting for them in the [Fat Tire Beer poll](#). It is easy and only takes a minute!

Here's the message from SOS:

SOS is one of the non-profit water organizations in the running for a **\$10,000 grant** from sustainable beer company New Belgium. Simply [click here](#) and then click on the "How to Skinny Dip ~ Vote for a Cause" button. Vote for Save Our Springs and then add the link to your Facebook page or forward this email to friends and family. You can also go to SOSAlliance.org to vote. The voting will continue until 5pm **TODAY** - Wednesday, September 30th!
