

Dear GEAA friends,

In the past five years, the Aquifer Alliance has grown from a small group of nine member groups to a strong coalition of [forty-nine groups](#) – and counting! Working together, we've made a significant difference in protecting the beautiful Texas Hill Country for future generations to come.

Please join us on **Saturday, May 22nd** to celebrate our successes, and to help ensure that GEAA can keep on working to promote aquifer preservation throughout the region in the years to come. We've only got 125 tickets available, so be sure to [buy yours today!](#)

We appreciate your support.
