

Dear GEAA Members and Friends,

Only one more day left of the 83rd Legislature! Thanks to all of you for contacting your representatives during this session. It made all the difference in the world! We will begin work immediately on GEAA's Legislative Report Card. Look for this in June.

Also, a really big thanks for your help in getting the word out that the Citizen's to Be Heard event was postponed until next Wednesday. Opposition to the proposed Crescent Hills Development is already getting some great press. The [San Antonio Current](#) provided a good overview of the issues, while [Harmon on Earth](#) looks at the big picture. Those of you who subscribe to the New Braunfels Herald Zeitung can read about [impacts to Comal County](#). And, you can [see more here](#) about what GEAA will be asking from Mayor Castro and City Council.

We hope to see you all at 6:pm next Wednesday, May 29th at the San Antonio City Council Chambers (first floor of the Municipal Plaza Building, 114 West Commerce). Parking is available across the street at the Frost Bank Building (entrances on Flores and Main between Commerce and Houston streets). For details about signing up to speak next Wednesday [click here](#).

Have a wonderful holiday weekend! I'm looking forward to seeing y'all next Wednesday.

Annalisa Peace
Executive Director
