

Dear GEAA members and friends,

I am very pleased to announce that the Greater Edwards Aquifer Alliance has released our [Legislative Agenda for the 83rd Session](#) of the Texas Legislature. This agenda includes bills filed as of March 29th, 2013. This Legislative Agenda has been compiled by consensus and endorsed by all 47 of [our member groups](#), spanning twenty-one counties in Central Texas. Collectively, our groups represent approximately 25,000 Texans.

For your convenience, we have also compiled [a list of bills in numerical order](#), noting bills that we support, oppose, or have noted as bills of concern.

Please feel free to share this agenda with [your representatives](#). A special big thanks to all of you who have responded to GEAA Action Alerts by contacting your legislators. This really makes a big difference.

Stay tuned for more...
