

Dear San Antonio and Hill Country Members and Friends,

The H-E-B Tear Pad program is up and running in 58 San Antonio and Hill Country area stores! The H-E-B Tear Pad program is a great way to support GEAA and other Earthshare organizations (listed below). This program allows any customer to purchase a \$1, \$3 or \$5 coupon at upon check out to support Earthshare.

We need your help in checking stores to make sure all the H-E-Bs listed are participating.

Go [here](#) for the public list of stores on the public EarthShare of Texas website. Please visit the store check list [here](#) and select two stores to check in the next week.

Report your results to Lisa, GEAA's Special Projects Coordinator, at [lisa@aquiferalliance.org](mailto:lisa@aquiferalliance.org) / 210 320 1457.
