

Dear GEAA member group leaders,

Since each of you has played such a special role in making GEAA such a success during the past six years, I am extending a special invitation for you to join us in celebrating our birthday tomorrow night. Believe me, we know that times are tough, so please, just give what you can at the door, or be our guest.

If you plan on coming as a guest of GEAA, please contact Lisa at 210 320 1471 / lisa@aquiferalliance.org so she can add you to the guest list.

I'm looking forward to seeing all of you tomorrow night. It wouldn't be a party without you!

Annalisa Peace
Executive Director
Greater Edwards Aquifer Alliance
