

Dear GEAA members and friends,

[GEAA member groups](#) have lots going on during the remainder of February and March.

Check out the [great stuff to be auctioned off by San Marcos River Foundation](#) at their [Annual Membership Meeting/Party](#) this Saturday, February 18th. You can bid on-line anytime!

The San Antonio Audubon has a [full schedule of birdwatching field trips](#) in San Antonio and throughout Texas this spring.

Likewise, Friends of Government Canyon has a [full schedule of fun ways to explore the Canyon](#), including a Haiku Hike held the First Sunday of each month that combines immersion in nature with creative writing.

Learn how to attract birds, harvest rainwater, plant vegetables, and more at Boerne's [Cibolo Nature Center workshops](#). And, don't miss their 22nd Annual Mostly Native Plant Sale on April 7th at the Kendall County Fair Grounds.

Run for a good cause with other GEAA members at Water Aid TSU Chapter's [World Walks for Water 5k and fun run](#) on March 24th in San Marcos.

Join GEAA members in San Antonio at the [16th Annual Cesar Chavez March](#) on March 31st. (We'll be the ones with the GEAA banner)

And, mark you calendars for [Leon Springs Night](#) on April 20th at the Leon Springs Dancehall for live music, locally famous foods and brewed and vinted beverages - plus a visit from the Court of Rey Feo. If you want to exhibit or be a vendor, contact [our friends at the Leon Springs Business Council](#).

This is just a small sample of what's up with [GEAA member groups](#) this spring. Thanks to the recent rains, the Hill Country should be lovely. Here's to getting out to enjoy it!
