

Dear GEAA Members and Friends,

We invite you to join state, local and county elected officials from San Antonio and surrounding communities on **Monday, November 8th from 6:pm to 8:30 pm** at the [San Antonio Central Library](#) to recount your experiences with [Texas Commission on Environmental Quality](#) and to share your suggestions for improving this agency, in light of [TCEQ's upcoming Sunset Review](#).

This event is co-sponsored by [Alliance for a Clean Texas](#), [Citizens for the Protection of Cibolo Creek](#), [the Greater Edwards Aquifer Alliance](#), [Helotes Creek Nature Center](#), [Leagues of Women voters of the San Antonio Area](#) and [LWV of Comal County](#), [Lone Star](#) and [Alamo](#) groups of the [Sierra Club](#), [Bexar Audubon Society](#), [Southwest Workers Union](#), [SA 350.org](#), [State Representative Trey Martinez Fischer](#) and [State Representative David McQuade Leibowitz](#). It will follow a *citizens to be heard* format. We are aware of the breadth of topics that will be covered in this meeting, and are prepared to keep things moving so that all concerns can be heard.

Since this topic is so vital to the quality of life for those of us who live in Central Texas, we hope that you will be available to participate in this important conversation.
