Hello, GEAA members!

Good news! Clothesline Cleaners has agreed to sell these signs at [all 7 locations](#) of their San Antonio stores. AND, they will give a free Enviro-bag garment bag (worth \$8) to anyone who purchases a sign at their stores. Yet another reason we love these folks who do not pollute anything to get your clothes clean!

We hope you've begun to see GEAA's yard signs scattered throughout your neighborhoods. We've made some great progress in getting these signs out to Hill Country residents, but **we need your help** to distribute these to everyone in the area!

If you would be willing to set up a table for an hour or two at your local farmers market, community fair, or grocery store (or wherever else you can think of), please contact Elena at 210-320-1457 or Elena@AquiferAlliance.org so she can coordinate that with you. Thanks and kudos go to our members who are already doing this!

San Antonio area members, we could use some help with manning a table at First Friday in Southtown - THIS Friday, July 3rd. Please contact Elena as soon as possible if you can take a shift at some point that evening.

Please help us spread the word! We appreciate your support.

Have a great day,

Annalisa Peace
Executive Director

In case you missed the first email, here are the details about the yard sign campaign:

We have three versions of yard signs available for display in your front yard that announce, "I'm not watering - I'm sharing my water with [local farmers](#)*, our [Hill Country springs](#)*, or [whooping cranes](#)*." (*click on the slogan to see the sign)

Yard signs sell for **\$15** each from our office at 1809 Blanco Rd. in San Antonio and at all [seven San Antonio Clothesline Cleaner locations](#). The wonderful folks at Clothesline will throw in a free "Enviro-Bag" reusable garment bag (worth \$8) with signs purchased at their locations!

You can also order signs for **\$20** via GEAA's website (\$5 extra for shipping). Please visit our [online store](#) to order your signs, or contact Elena at 210-320-1457 or Elena@AquiferAlliance.org to schedule a time for pick-up at our office (1809 Blanco Rd., SA TX 78212).
