Dear GEAA members,

GEAA has committed to staff a table at a fun upcoming event, and we want to share this opportunity with you. **SeaWorld San Antonio** will be hosting **world renowned animal expert Jack Hanna** on **Saturday, November 7th** and **Sunday, November 8th** for a weekend of conservation and education. Our table will be located at Jack's arena and open before, during, and after shows. Jack's shows are at 12:30pm and 3:30pm on Saturday, and at 12pm and 2pm on Sunday.

We would **LOVE** to have volunteer help during the following times:

Saturday the 7th

10:30 – 1:00 – Elena can set up and stay for this shift, but would appreciate help!

12:45 – 3:00

2:45 – 5:00

Sunday the 8th

10:30 - 1:00 - Annalisa will set up and stay for this shift, but would appreciate help!

12:45 - 3:00

**Since we'll be tabling for two days, we will coordinate with SeaWorld to make sure that whoever takes the last shift on Saturday can store all tabling items at the park.*

If you can help, please email Elena at Elena@AquiferAlliance.org or call her at 210-320-1457.

We hope you will join us in reaching out to new audiences and participating in this fun event.

Annalisa Peace
