We are pleased to announce that H-E-B has selected Earth Share of Texas to be the beneficiary of its in-store coupon promotion for April, in recognition of Earth Day. This means that customers can tear off and add check-out coupons worth \$1, \$3, or \$5 to their total bill.

H-E-B has supported many Earth Share of Texas organizations with corporate grants or in-kind contributions. The April tear-pad promotion enables H-E-B customers to support the program work of Earth Share of

Texas organizations. **GEAA and our member groups will benefit, because the contributions will be divided among Earth Share of Texas organizations with program work in Central Texas.**

If you live *outside* of San Antonio, look for the Earth Share of Texas display and tear-off coupons at the check-out stands in H-E-B stores in your area, beginning in late March through April. Help support Earth Share of Texas and the Texas environment!

In **November**, H-E-B's San Antonio region stores will feature Earth Share of Texas, giving H-E-B's San Antonio customers the opportunity to support environmental work in the San Antonio area!
