Authority River Annex**  
933 E. Court Street, Seguin, TX 78155

**When:** **May 12, 2017**  
Registration begins at 9:00 a.m.  
Workshop begins at 9:30 a.m.

Stakeholders, citizens and government agencies combine efforts in a 5 year cycle to develop the comprehensive State Water Plan. We plan so Texans can enjoy sustainable water sources for our cities and rural communities, our farms and ranches, and our homes and businesses, while also preserving the agricultural and natural resources that have defined Texas for generations.
