City Population Numbers

County Population Numbers

Map showing the Hill Country region of Texas with various counties highlighted in different shades. The map includes cities such as San Antonio, Austin, and Dallas, as well as surrounding areas like Travis, Williamson, and Bell counties.
Change in impervious cover 2000-2010.

Keys to Conservation Success:
• Strong conservation leadership
• Committed landowner partners
• Local demand for conservation
• Resources to leverage funding opportunities
Travis County Voters Approve $185 Million Bond Package

By SYEDA HASAN • 13 HOURS AGO

The bond package will pay for capital improvement efforts in Travis County, including new bike lanes and sidewalks, as well as green space.
