

Dear GEAA Members and Friends,

[Rose](#) has completed her fellowship with GEAA and will be returning to [Kenya](#) in December. I will be joining her, at the invitation of the US State Department, at the [Community Solutions](#) conference in Washington D.C. to speak about building consensus behind environmental issues. Since that is what we do here every day at GEAA, I am honored by this recognition of our work. We have all of you, and all of our wonderful [member groups](#) to thank for GEAA's success in building consensus on how to best protect our water resources. Thank You!!!

For those of you who have come to know and love Rose during her stay here, and for all of you who have yet to meet her, we will be hosting a party to send her back home with all of our best wishes for success in returning to [work with the organization](#) she founded in 2012. **Please join us at the GEAA office at [1809 Blanco Road](#), San Antonio on Wednesday, November 26th from 5:00 pm to 7:30 pm for a bon voyage party.**

Feel free to bring libations and food to share, and a (light weight) good bye gift for Rose. We have set up a tax deductible account so that designated donations to GEAA will go to support [Women in Water and Natural Resource Conservation](#).

We will miss [Rose](#) greatly. I hope you can join us next Wednesday to send her off with yet another great memory of her stay here in Central Texas.

Have a wonderful weekend!

Annalisa Peace

Executive Director

[Greater Edwards Aquifer Alliance](#)

You can always keep up with interesting water news on [GEAA's Face Book page](#)

and, you can donate on-line or mail contributions to support GEAA to PO Box 15618, San Antonio, Texas 78212
